## Livin' Like Christ by Following His Directives.

Luke 5:1-11

### **Directive Principle 1)**

Jesus is always working to accomplish the will of Father God. John 5:17-20

### **Directive Principle 2)**

Jesus always steps into our circumstance to reveal and direct us to the will of Father God.

### **Directive Principle 3)**

Jesus directs us to His abundant provision.

### **Directive Principle 4)**

Our plans must adjust to His plans.

We have to be willing to let go of where we are to get to where God is directing.

### **Directive Principle 5)**

We experience God as we are led by Him, as we wrestle with Him, as we follow Him and as He provides for us.

### **Directive Principle 6)**

Our right response to Jesus' provision is humility, awe and praise.
