

## VISION AND DIRECTION for 2011

There are three areas in which we are committed to focus in 2011: **REACH UP**, **REACH IN**, and **REACH OUT**. We are currently doing many great things in these areas and are committed to greater focus and intentionality to do them even better in the new year.

**REACH UP: Worship** (defined as our intentional decision to serve God and others with our lives - Rom. 12:1).

Opportunities to grow and serve are:

- Community Worship (music / vocal teams, sound and lights, communion)
- Student Ministries (GLO, Klubhouse, toddlers, nursery)
- FX - Family Experience
- Journey Shack
- Food Service Team
- Guest Assistance
- Outreach Team
- Teaching Team
- Finance Team
- Directors Team
- Leadership Council
- Missions Trip
- The world outside our doors!

**REACH IN: Discipleship** (defined as the continual deepening and expanding of our personal relationship with Jesus Christ - Eph. 4:15, 16):

- Community Worship
- Bible Readings that accompany the Sunday teachings
- Community Groups
- Women's Bible Studies (Beth Moore studies)
- Parenting Discussion groups
- Tithing
- Serving opportunities
- Other classes as offered

**REACH OUT: Connections** (defined as our intentional decision to multiply ourselves - Matt. 28:18-20):

- 1 x 1 mentoring
- Other Discipleship groups
- Parenting Discussion groups
- Outreach events (Rake-a-thon, Christmas caroling, other neighborhood outreach events)
- FX - Family Experience (Invite others!)
- Leadership Mentoring
  - LC to Directors; Directors to Team Leaders
  - Community Group Leaders to Group Members
  - Team Leaders to Team Members

These three areas will lead to one another as we function as a healthy church:

**Reach Up ↔ Reach In ↔ Reach Out**

**Reach In ↔ Reach Out ↔ Reach Up**

**Reach Out ↔ Reach Up ↔ Reach In**
